KNOWLEDGE & INFORMATION

Humanities graduates treat and manage information and knowledge in an expert way.

COMMUNICATION

Excellent communication skills enable humanities graduates to collaborate and lead.

LANGUAGE

Humanities graduates are proficient in language through their profound insight in the workings of languages.

PROJECT

Excellent organisational skills enable humanities graduates to complete projects successfully and on time.

CREATIVITY

Humanities graduates have an artistic side and thus have a knack for coming up with new and innovative ideas.

INTERCULTURALITY

Humanities graduates cultivate open-mindedness and empathy through in-depth reflection.
